

JICCA HALL

4.6

The committee is again to be congratulated on the work they have done this year. Events have been organised for the benefit of the community including the monthly coffee mornings which although they are not particularly profit making are greatly enjoyed by many people. A thank you to Liz for encouraging volunteers to help at the coffee morning. Other events have included a vegetable show, summer party, village fete, wreath making, Big Breakfast, painting night and a quiz.

We are pleased to welcome Liz to the committee. A massive thank you to Hannah, who has sadly resigned as Treasurer and we thank her for all her dedication and support over the many years she has been Treasurer. We are now actively looking for a new Treasurer with the knowledge that these roles are not easy fill.

Nicky has continued to do a fantastic job of coordinating the diary for the hall. The cleaner continues to ensure that the hall is clean on a weekly basis. After much research by Hannah the hire rate of the hall was increased to ensure it covers the running costs whilst keeping it competitive with other local halls.

Using the detailed building survey we have started a plan of works to improve the condition of the hall. Work will begin with the drainage at the rear of the hall which should be complete by the middle of June and the rendering of the rear wall will follow this. It was decided that this would be paid for using funds currently held by the hall and then grants will be looked into for future works.
