

The Christmas Crew.

Since the crew began in the 1980's as the Low Ham children's Sports Assn, we have raised £44,782. £19,104 went to Local children's charities, hospital and families who were having a tough time. The rest, £25,678 has been given to the Dassel, Somerset Air Ambulance Trust.

We are now quite a small band of Volunteers, and have cut down the number of nights and areas, that we go for Santa's Tours. We didn't hold any Fund-Raising events last year, but previous events cover the cost of insurance and maintaining our Christmas Float.

Although we now only go around High Ham, Low Ham, Henley, Pitney and Aller, we have found how generous our local people are. The amount collected during the lesser Santa Tours was nearly as much as when we took Santa to Langport, Curry River, Drayton and Handover. So on behalf of Santa, the Elves and Christmas Crew, thank you to everyone on our route for your support and generous donations.
