Traditional sequence of events in our  
Christian faith.

Talking of birthdays - the Church was  
built in 1476 so next year  
will be its 550<sup>th</sup> year, standing  
as a beacon of faith, and hope,  
for our Parish. So please if anyone  
has any ideas how we can mark  
and celebrate this milestone please  
let us know or better still join our  
Church Council and help keep our church  
open for the next milestone of its  
550<sup>th</sup> birthday.

Further details from Margaret Baker or  
me or your churchwardens or Mike Little  
as Chair of the FCC.
